

MINECRAFT SCAVENGER HUNT SCORE CARD

We hid QR codes to show you the sites of the MGHPCC World.

Use clues and find QR codes. Use any QR code reader including the one built in to your IOS camera and a form will pop up to submit your find. Each unique QR code is an entry into the drawing for cool headphones. Find all the codes and you'll get a bonus of 10 entries.

Winner will be notified by email and announced on sc22.mghpcc.org/minecraft.
